Course Description

When stakeholders in the treatment process value diversity and inclusion, professional and clinical outcomes benefit greatly. An SLPA contributes a vital perspective on a treatment team. When equipped with accurate knowledge of their scope of practice, clear expectations, and invited with a collaborative spirit, an SLPA's contribution can be invaluable. This presentation will equip any member of the treatment team, specifically SLPAs, with tools to enhance supervision and professional advocacy efforts.

Instructional Level: Intermediate

Learner Outcomes

At the end of this presentation, attendees will be able to:

1. As a result of this presentation, the participant will be able to define and list critical components of the SLPA scope of practice as outlined by the California Speech Language Pathology & Audiology & Hearing Aid Dispenser’s Board.

2. As a result of this presentation, the participant will be able to summarize resources one can use to enhance communication and collaboration between a supervisor and supervisee.

3. As a result of this presentation, the participant will be able to describe possible responses one can utilize when advocating for appropriate use of SLPAs on the treatment team.
